

A THREAT TO EVERY ONE OF US

The BNP is not like any other party standing in the elections. The BNP's favoured methods are not canvassing or voting – they are violence and fear.

The BNP is a fascist organization that stands in the tradition of Hitler's Nazis. Mark Collett, the BNP's former youth leader, was caught on TV praising Hitler. In the Holocaust six million Jews were murdered in Hitler's concentration camps.

The BNP is racist and have declared their belief in an all white Britain. This would mean no black players in our national sports teams, no black musicians, no black nurses, no Asian doctors and surgeons, no black or Asian faces in public life.

The BNP build support by whipping up hatred against every minority – just as Hitler targeted Jewish people. But, like the Nazis, if the BNP ever came to power they would strip every person in this country of their democratic rights and freedoms.

The BNP hates the workforce that sustains the NHS (above). Britain is a multicultural society, don't let the fascists tear it apart.

“Do not be fooled by the BNP pretending to have changed and become respectable. They are still

fascists with their policy of racism, anti-Semitism and Islamophobia. By using your vote for any of the democratic parties you can help to stop the BNP. Let us remember the Holocaust was the direct result of allowing the Nazis to dupe the German nation. Do not allow the BNP to dupe us.”

The late Henry Guterman MBE, Holocaust survivor

The BNP... ...is a fascist organisation

Fascism stands for the murder of millions, the annihilation of entire communities and the destruction of democracy and human rights. The BNP has its roots in the neo-Nazi group the National Front and has links with the white supremacist, violent group Combat 18.

The Channel Five documentary *Neo-Nazi Hate Rock* showed that the BNP receives money from the sales of neo-Nazi hate music and fundraising. Leading BNP member Mark Collett was caught on Channel 4's *Dispatches* documentary in 2002 **praising Hitler** and claiming that Nazi Germany would have been a better place to live than some parts of Britain.

...hates freedom and democracy

BNP leader Nick Griffin, a life-long Nazi, argued: “The electors of Millwall [backed] what they perceived to be a strong, disciplined organisation with the ability to back up its slogan ‘Defend Rights for Whites’ with **well directed boots and fists**. When the crunch comes, power is the product of force and will, not of rational debate”.

...has terrorist and criminal connections

David Copeland, who carried out the London nail bombings in Brixton, Brick Lane and Soho said: “My aim was political. It was to **cause a racial war** ... then all the white people would go and vote BNP.”

At the last general election, the BNP stood gang rapists and drug dealers as candidates in some seats, only removing them when they were exposed as criminals.

...is racist

The BNP stand for an all white Britain, which could only be achieved using **violence**.

...denies the Holocaust

Six million Jewish people were murdered in the Nazi Holocaust. In total over 15 million Jews, trade unionists, gypsies, Slavs, black, lesbian, gay and disabled people were murdered as a result of Nazi Germany's murderous policies. Nick Griffin was **convicted for inciting racial hatred** after a BNP magazine he published denied the reality of the Holocaust.
