There will be local activity across London in run up to 4 June, to get involved contact your local group details on the website www.uaf.org.uk

There will be a programme of stalls and mass leafleting we can reach a lot of people directly: in busy shopping centres, at major public events (perhaps particularly looking at football and music venues) and at key railway and bus stations.

WE'D LIKE EVERYONE TO DO AS MUCH AS POSSIBLE IN THEIR AREA ON THESE DATES TO STOP THE BNP.

KEY activity dates:

Tues 19 May Registration to vote deadline.

Fri 29 May UNITY FRIDAY – We want every train and tube station in the country hit with anti-BNP leaflets. Adopt your station now!

Sat 30 – Sun 31 UAF Weekend of activity across the country including supporting the LMHR Carnival – where we intend to hand out tens of thousands of leaflets in Stoke against the BNP.

Tues 4 – Wed 3 June Eve of poll tube leafleting at tube and train stations across the country.

Thur 4 June Leafleting of tube stations and then “adopt your polling station”.

London is a BNP target

The BNP is trying to get its first MEPs elected on Thursday 4 June. There is a real danger that the BNP could grab enough votes to gain a London MEP at the European elections. They could get in with as little as 8 percent of the vote. This would gain them public resources, a veneer of “respectability” and access to other far right and fascist parties in Europe.

London is a multiracial city and the vast majority of Londoners are opposed to the fascist politics of the BNP. We must come together to stop the prospect of a BNP MEP in London. We need to act now. Join the leafleting activities and events against the Nazi BNP in your area.

UAF is supporting the Love Music Hate Racism Festival on 30 May in the Stoke Britannia Stadium! Please encourage everyone to attend. See the new LMHR Stoke Festival website www.lmhrfestivals.com LMHR Festival 2009 is a massive one-day music festival with a message, coming to Stoke's Britannia Stadium on Saturday 30 May. Some of the UK's top live acts and DJ's from every genre of music will come together to celebrate Britain's diverse multicultural society. Acts include Reverend & The Makers, The Beautiful South, N-Dubz, Jerry Dammers, Roll Deep as well as a DJ/Dance Arena
