

Two months to stop the BNP.....

Greater Manchester outline plan of Action

Below are confirmed details from four areas about campaign activities.

As part of the strategy to increase voter turnout to combat the BNP in the Euro elections UAF aims to have a big presence in the town centres across the Greater Manchester area. We hope that stalls from the PCS "Make your vote count" campaign, the May Day mobilising committee and also the CWU will take place next to the UAF ones to create a large profile.

In addition to these planned events it is anticipated local groups will plan other days of mass leafleting etc in their local areas. UAF also plans to cover major social events in the city etc

Exact details of each leafleting session will be sent out nearer the time.

UAF NATIONAL WEEKENDS OF ACTION:

Say 2 - Sun 3 May • Sat 30 - Sun 31 May

With a programme of stalls and mass leafleting we can reach a lot of people directly: in busy shopping centres, at major public events (perhaps particularly looking at football and music) and at key railway and bus stations.

WE'D LIKE EVERYONE TO DO AS MUCH AS POSSIBLE IN THEIR AREA ON THESE DATES TO STOP THE BNP.

And don't forget the UAF/LMHR Carnival on 30 May in the Stoke Britannia Stadium!

Please encourage everyone to attend. See the new LMHR Stoke Festival website www.lmhrfestivals.com
